

Each project leader of the Young Leadership Council is a representative of an organization that has cultivated the support of our community through years of dedicated volunteerism and community service. The public and individuals demonstrate their support for the YLC through their giving. As such, each project leader has the responsibility to ensure that projects fulfill the organization's mission and that the YLC uses funds responsibly.

I, _____, as a project leader of the Young Leadership Council, accept and understand that my duties and responsibilities are as stated:

- I will help to advance the mission of the YLC, ensuring that the project that I administer remains true to the organization's mission and develops leadership in YLC members through service.
- I will maintain a paid membership in the YLC.
- I will work, collaboratively, with the Board of Directors and YLC Staff.
- I will adhere to the financial policies and budget standards set forth by the YLC and ensure that any volunteers working with my project do the same.
- I will take seriously my responsibility to select my successor, in consultation with the current Vice President of Projects. I understand my responsibility to recommend new project leaders is of lasting importance to the organization and a critical decision that cannot be made lightly.
- I commit to spend the time necessary to successfully execute the project entrusted to me.
- I will report volunteer hours and fulfill all other reporting requirements set forth by the YLC.
- I will collaborate with the current Vice President of Development and the YLC staff on any fundraising efforts on behalf of my project.
- I commit to leading my project for at least the next _____.
- I will preserve and promote the good will of the YLC.

I accept and understand my duties as a Project Leader of the YLC as evidenced by my signature below:
