

SPONSORSHIP: **Frequently Asked** **Questions**

What is included in my sponsorship?

This depends on your tier and how many concerts you are sponsoring! For a full breakdown, email Liz@ylcnola.org for our sponsorship packet.

What happens if it rains?

In the event of inclement weather, we'll make a call by 8AM the morning of the concert. If we have to cancel, we have three different rain dates and we'll work with you to figure out which one works best to reschedule.

Do you provide beverages?

Yes! We provide various wines, Abita products, soda and water. We'll have it all iced down and waiting for you. A week before your concert we will send you a link to order exactly what you'd like to have on-hand.

Can I bring in my own food and drink?

As a sponsor, you are welcome to bring in your own catering if needed. Unfortunately we do not permit outside beverages.

Can I bring my own branded tent?

Absolutely! You are welcome to bring any branded signage or a tent to make the space your own. If you are having a rental company set it up - we kindly ask you coordinate with us beforehand as load-in space is limited.
